GENERAL OFFICE

May 2, 1966

Mr. W. M. Edmonds

SUBJECT: May GT-350 Convertible Requirements from San Jose Assembly Plant

Cooling characteristics on the 289 CID Hi-Performance engine with air conditioning do not meet acceptable specifications at low engine RPM's.

Please waive specification of the four (4) convertibles schedules for May delivery to Shelby American on DSO's 71-2623 & 24.
