

Copy for Mr. Doring  
July 29, 1966

Mr. J. E. Khoury  
Shelby American, Incorporated  
6501 West Imperial Highway  
Los Angeles, California 90007

Dear Mr. Khoury:

SUBJECT: 1967 GT-350 Mustang Prototype Program (Report II)

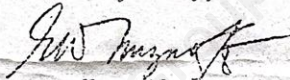

Attached please find report of parts ordered by Shelby American personnel, basically engineering section, for subject program.

This report includes all part numbers, names, quantity ordered, purchase order number (if required), date shipped, and promise date if not shipped. This information should help if more of the same parts are required.

We would appreciate copies of receiving reports on parts received so we can be sure parts were shipped.

Your usual prompt attention will be appreciated.

Yours very truly,

G. W. Kuznetsov, Buyer  
Experimental and Hi Performance Parts  
Special Materials Department
